### Product Description

our advanced 4-port USB 2.0 hub with individual switches, offering unparalleled convenience and control over your device connectivity. Expand your options and streamline your digital setup with this versatile hub. With four USB ports, our hub allows you to connect multiple devices simultaneously, providing seamless data transfer and syncing capabilities. We prioritize the safety of your devices, which is why our hub features a built-in fuse. This protective feature safeguards your valuable devices against power surges and fluctuations, offering peace of mind and longevity for your electronics. This feature ensures optimal power delivery to your connected devices, eliminating the risk of insufficient power supply and maximizing their performance. Rest assured that your purchase is backed by our generous one-year warranty, reflecting our commitment to quality and customer satisfaction. Our dedicated support team is ready to assist you with any queries or concerns you may have. **Features**
